

Diversity Statement

Oxford Contemporary Music actively strives towards equal opportunities for all regardless of age, belief, disability, gender, sexuality and race and seeks to make its work available to the widest possible audience.

OCM is currently implementing a Racial Equality Action Plan and is looking for people to act as advisors to help with this process. Advisors will meet twice a year and discuss aspects of OCM's work practice, programming and marketing.

If you are interested in getting involved, please contact Jo Ross or Tim Hand on 01865 488369 or info@ocmevents.org.
